Report to Executive Committee

The Janitor, John Smith, has given notice that he will give up his situation as soon as we can provide a substitute.

Morton Shaw - assistant at the desk - has left the service of the Library, and I have transferred Paul Garber from the Ridgway Branch in his place, until the Committee take action on the matter. This leaves a vacancy at the Ridgway Branch, which I have supplied - for the emergency only - by taking on the Janitor's son.

Joseph Collins, the youngest assistant at the Locust St. Library has given

notice that he will leave at the end
of this week.

Respectfully

Report to the Finance Committee

In accordance with the instructions of Mr. Biddle I called on Mr. W. Moore Wharton & notified him that his proposition to reduce the interest on his Mortgage of \$5000. - was declined. He said he would be ready to pay it off after the 1st Oct. In the mean time it will be necessary to get an order of Court as before to enter satisfaction on the record, the original mortgage being lost. This I will attend to as soon as Mr. Rawle returns to the city. The expense this time will not be great.

Respectfully

Report to Com: on Ridgway Branch

Morton Shaw having left the service of the Library at the Locust St Building I have transferred Paul Gaster from the Ridgway Branch to Locust St, subject to the approbation of the Committee. If that is granted, there will be a vacancy at the Ridgway Branch for an errand boy. To meet the emergency I have taken temporarily Chas McPath the Janitor's son at \$3. - a week.

During the recess the Ridgway Building & Books have been thoroughly cleaned, the desks & tables covered with leather and the large table in the main hall painted to correspond with the other furniture
